cans Expect to Elect Two Congressmen.

In the State and declared that the Democratic party in lowa is "a very cold corpse." It says:

"The Democratic party in Iowa, at least, has no life, for the chairman of the committee has seemingly repudiated William J. Bryan. He has small care whether McKinley carries the State by 10,000 or 100,000 materity, and the vote will show this teeling in a way that will be unnistakable when election day comes."

Inquiry in every county shows that the proposed Constitutional amendment for biennial elections will be carried by a tremendous majority. It has been shown that it will save the State about \$500,000 A year in election expenses, besides rediciving the people from constant political againstion.

Heavy rains have prevailed intronghand the State for several due, the proposed the people from constant political againstion.

Heavy rains have prevailed intronghand the State for several due, and the product of the was as success in spite of the weather. The marching men, which included almost every branch of mercantile traded in normal which foll in torrents as they passed through the streets. Some hood-lims and cheered for Bryan but the trick was so transparent that it falled any effect. There were fully 7,000 in line and had the weather been favorable more than twice that the proposed Constitutional amendment for blemial elections will be carried by a tremendous majority. It has been shown that it will save the was likewise fulled. The meetings were addressed by William D Byran of Indiana, Major Byran of New York, Format was full being the following special forecast for election day: "Present conditions point to fair weather with moderate to appearance with mod
